

FACTSPay™

The Online Payment Tool
for Your Shippers.™

Give your customers a faster, easier way to pay freight invoices – Directly through your CLI-powered portal.

With FACTSPay Your Customers Get:

- ✓ **Instant Access to Open Invoices:** No more waiting for emailed copies or calls to A/R.
- ✓ **Full Transparency:** Drill down to individual shipments, charges, and supporting docs, BOLs, PODs, and more.
- ✓ **Flexible Payment Options:** Pay all, pay some, or schedule future payments via secure ACH or credit card—all powered by Stripe.

With FACTSPay You Get:

- ✓ **Reduced Overhead:** Cut down on manual invoice follow-ups, check processing, and A/R labor.
- ✓ **Faster Payments:** The easier you make it to pay, the faster the money comes in.
- ✓ **Secure Transactions:** Stripe's enterprise-grade security means you never have to worry.
- ✓ **Real-Time Visibility:** Know who paid what—and when—without chasing your team for updates.

FACTSPay is Fully Integrated with FACTS TMS

Your team doesn't lift a finger—everything flows from the TMS to the portal automatically. Setup is fast, and it's branded with your logo and style. Powered by Stripe, our secure platform allows payments via ACH debit or credit card, offering flexibility while maintaining complete financial safety.

About Stripe, Inc.: Stripe is a California-based payment processing company, established in 2010 to facilitate online payments. It acts as an aggregator, handling credit and debit card transactions for businesses worldwide.
